MILLHEIM BOROUGH PLANNING COMMISSION
REGULAR MEETING

March 25, 2008

The regular meeting of the Millheim Borough Planning Commission was called to order by Chairperson, Nicole Thompson, at 7:00 p.m. with the following persons in attendance: Linn Auman, David Sprowls, Tom Strebel, Nicole Thompson and Sharon Heckman.

Absent: Dennis Bressler and John R. Miller, III

A motion was made by Linn Auman and seconded by Tom Strebel to approve the minutes of the February 26, 2008 meeting as presented. Motion carried.

OLD BUSINESS:

Sharon Heckman explained that Curt Bierly has stated that he will get the information for the map that is to be attached to the Addendum to the Sidewalk Ordinance as soon as the weather gets nice.

Mrs. Heckman reported that in a conversation with the State Police she was told that a letter should be sent to PennDot requesting permission to place Brake Retarder signs. This letter was sent but Mr. Bagglio of PennDot explained that a formal letter from Borough Council requesting a study was required. Linn Auman will put this item on the agenda for the April Council meeting.

NEW BUSINESS:

The Official Map process was discussed. Dave Sprowls raised concerns about just placing roads where we would like to see them. Linn Auman explained that we can have the map so that when development comes we can say this is where we would like the road to be. A motion was made by Linn Auman and seconded by Dave Sprowls to table further discussion on this topic until hearing from Bob Jacobs of Centre County Planning Office. Motion carried.

A motion was made by Linn Auman and seconded by Tom Strebel to adjourn the meeting at 8:22 p.m. Motion carried.
